## Trailer Parking on Town Street

The RCMP and the Town of Bassano would like to remind everyone that Town By-Laws govern the parking of trailers on Town Streets. Trailers, which would include holiday trailers, utility trailers, horse trailers etc. are not allowed to be parked unattached or unhitched on a public roadway **for a period exceeding 48 hours**. The Town or a peace officer may have the trailer removed from the street and the owner may face a fine of up to \$1,000.00.

During this time of year with camping season coming to an end, many holiday trailers are observed parked on the streets as people winterize them and remove their equipment and belongings. Please ensure that this is completed within the allotted time and the trailer is then moved to where it can be legally stored.
